

## Penamatan Sokongan Kepada Windows 7.0

Sokongan sistem operasi komputer (*operating system*) Windows 7 telah tamat pada 14 Januari 2020. Jika anda terus menggunakan Windows 7 selepas sokongan ditamatkan, komputer masih boleh digunakan seperti biasa tetapi tiada lagi kemaskini terkini termasuk kemaskini keselamatan daripada Microsoft. Pengguna perlu memastikan perisian antivirus yang digunakan adalah yang terkini.

Pengguna diminta supaya mengambil perhatian atas perkara **BERIKUT:-**

- (i) Sekiranya anda menerima *popup* daripada Microsoft, klik pada *Don't remind me again*

- (ii) *Off* auto updates Windows
- (iii) Memastikan perisian antivirus dikemaskini dengan *patches* terkini dan disyorkan untuk menggunakan *Antivirus Microsoft Essential* yang boleh dimuat turun melalui laman sesawang Microsoft di <https://www.microsoft.com/en-us/download/details.aspx?id=5201>

Komputer yang menggunakan Windows 7 juga boleh dinaiktaraf ke Windows 10 dengan mengambil kira perkara spesifikasi perkakasan yang minima seperti berikut :-

- (i) Processor i5 – *4th generation*
- (ii) RAM 8 GB
- (iii) HDD 500 GB

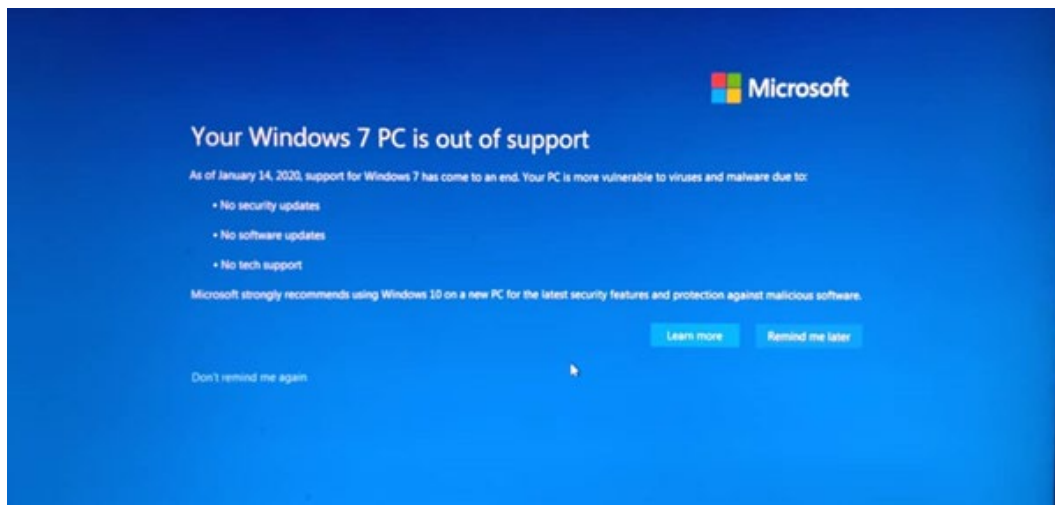

Sebarang pertanyaan berkenaan perkara ini, sila berhubung terus dengan [Seksyen ICT di PTJ masing-masing](#).

## Termination Support for Windows 7.0

Windows 7 operating system support expires on January 14, 2020. If you continue to use Windows 7 after the support is deprecated, your computer will still be working as usual but no more recent updates including security updates from Microsoft. Users need to make sure antivirus software is up to date.

Users are asked to pay attention to the following: -

(i) If you receive a popup from Microsoft, click on Don't remind me again

(ii) Off auto updates Windows

(iii) Ensure antivirus software is up to date with the latest patches and is recommended to use the Microsoft Essential Antivirus which can be downloaded through the Microsoft website at <https://www.microsoft.com/en-us/download/details.aspx?id=5201>

Computers using Windows 7 can also be upgraded to Windows 10 taking into account the following minimum hardware specifications: -

- (i) Processor i5 - 4th generation
- (ii) 8 GB RAM
- (iii) 500 GB HDD

For any questions regarding this matter, please contact [the ICT Section at their respective PTJ](#)
