

Instalasi Adobe Langkah Demi Langkah :

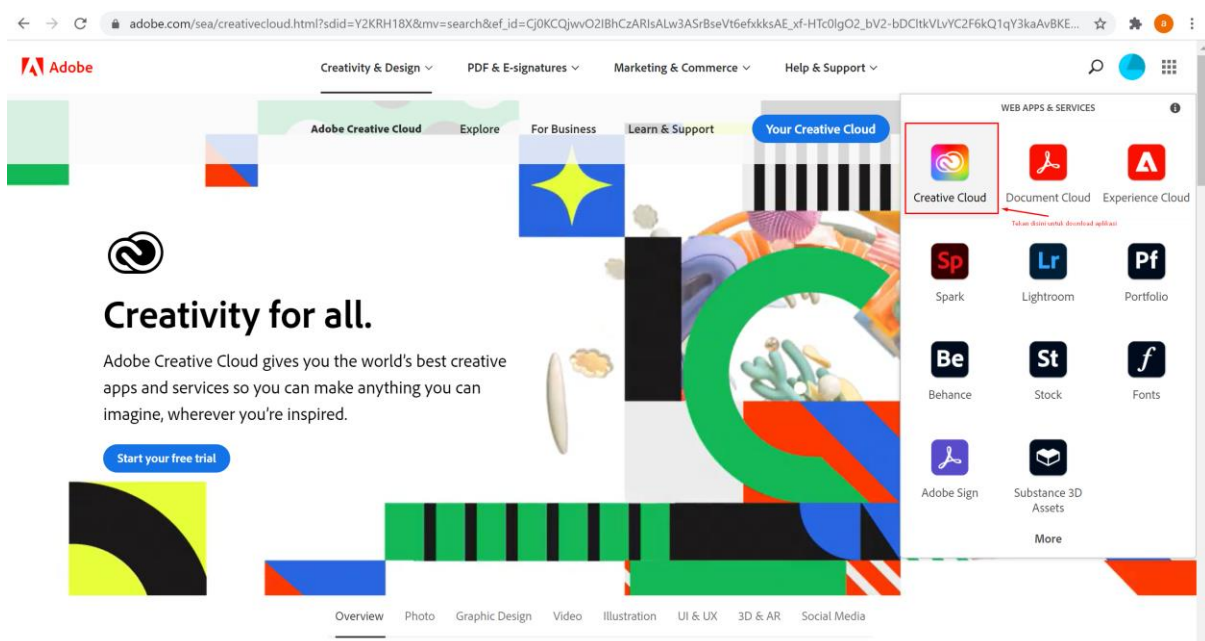

Langkah 1 :

Langkah 2 :

Langkah 3 :

Langkah 4 :

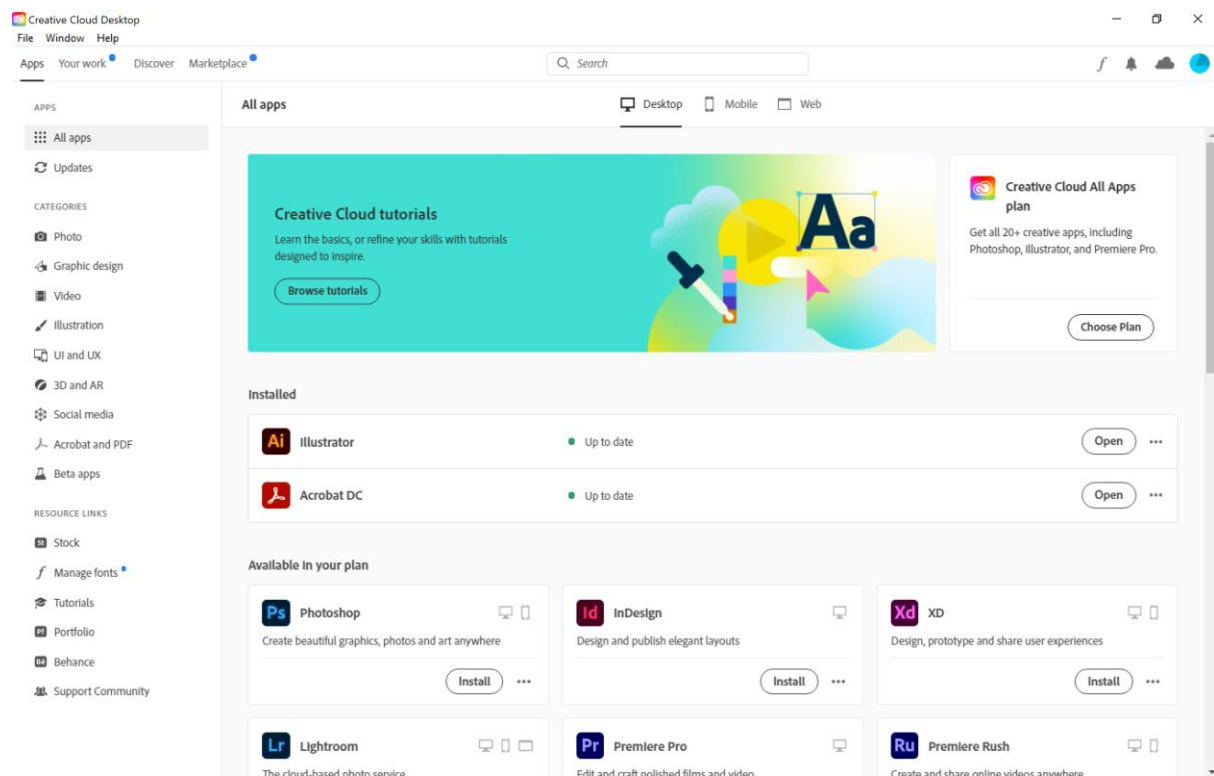

The screenshot shows the Adobe Creative Cloud website. At the top, there is a navigation bar with 'Creative Cloud', 'Home', 'Apps', 'Your work', and 'Discover'. A search bar is also present. The main banner reads 'Get started with a Single App or All Apps membership' with an 'Upgrade now' button. Below the banner, there is a row of application icons: Photoshop, Acrobat DC, Illustrator, Premiere Pro, and Creative Cloud. The Photoshop card is highlighted, showing the text: 'The world's best imaging and design application. Create and enhance photographs, illustrations, and 3D artwork. It's everything you need to make any idea real. Learn more'. A 'Get app' button is visible on the Photoshop card. On the right side, there is a user profile for 'Azrul Nizam Ahmat Mar...' with a 'Manage account' link. Below that, there are links for 'Adobe for Enterprise', 'Manage enterprise', and 'Quick links' which includes 'Install Creative Cloud app', 'Help center', and 'Contact us'. A red box highlights the 'Install Creative Cloud app' link, with a red arrow pointing to it and the text 'Tekan disini'.

The screenshot shows the Adobe Creative Cloud installation instructions page. The main heading is 'Follow the instructions below to install Creative Cloud.' Below this, it says 'Click the installer then follow the prompts.' In the center, there is an icon of a software installer box with the Adobe logo. Below the icon, there is a link: 'Download not working? Restart download | Get Help'. At the bottom left, there is a taskbar icon for 'Creative_Cloud_Se...exe' which is highlighted with a red box. A red arrow points from this box to the text 'Tekan 2 kali disini untuk memulai instalasi'.

Langkah 5 :

1 - Tekan 2 kali (Double Click) ikon tersebut untuk membuka aplikasi. Ikon tersebut akan berada di desktop computer.

2 – Paparan ini akan di buka dan pilih aplikasi yang diperlukan untuk membuat instalasi (cth : photoshop)
